

WINFOCUS 3RD SCANDINAVIAN COURSE IN PRE HOSPITAL ULTRASOUND

INVITATION TO PARTICI- PANTS

Norwegian Air Ambulance Foundation and USabcd cordially invite you to join the coming WINFOCUS 3rd Scandinavian Course in Pre Hospital UltraSound. The meeting will be in Stavanger 12. and 13. March 2012. The Faculty will consist of experienced sonographers from Norway, Denmark and UK.

This US course is a collaboration between WINFOCUS and the Norwegian Air Ambulance Development Centre. Our common goal is to: «Improve Primary, **Emergency**, and Critical Care Medicine, by incorporating 'point-of-care' Ultrasound into Clinical Practice».¹

¹ WINFOCUS vision statement found at www.winfocus.org
